

Real Goods Solar, Inc. Announces Rights Offering Calendar

November 20, 2019

DENVER, Nov. 20, 2019 (GLOBE NEWSWIRE) -- Real Goods Solar (OTCQX: RGSE), the exclusive worldwide manufacturer of the visually stunning POWERHOUSE™ Solar Shingle System, announced today that the Securities and Exchange Commission (the "SEC") has qualified the Form 1-A offering statement originally filed on September 30, 2019 for a rights offering to its shareholders and warrant holders as of a record date of Wednesday, November 27, 2019. As a result, to be eligible to participate in the rights offering, a shareholder must own shares of Class A common stock as of 4:00 pm ET on Monday, November 25, 2019.

Under the rights offering, RGS plans to distribute to each of its Class A common stockholders and its holders of outstanding warrants to purchase Class A common stock ten non-transferable subscription rights for each one share of Class A common stock owned or purchasable under such warrants as of the record date. Each subscription right entitles the holder thereof to purchase one share of Series 1 non-convertible preferred stock at \$10 per share. Each share of the preferred stock will earn a dividend representing a 12% annual yield on the purchase price, payable quarterly, in cash or in kind, and will have 100 votes on all matters submitted to a vote of the holders of Class A common stock. The Form 1-A offering statement covers an offering of up to \$20,000,000 of the Series 1 preferred stock. The Company intends to use the proceeds for commercialization of its POWERHOUSE™ solar shingle and general corporate purposes. The Company intends the Series 1 preferred stock to be qualified to trade in the over-the-counter market and to be quoted on the OTCQX marketplace operated by OTC Markets Group.

Forward-Looking Statements and Cautionary Statements

This press release contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties, including statements regarding the closing of and the net proceeds from the rights offering discussed herein. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they provide RGS Energy’s current beliefs, expectations, assumptions, forecasts, and hypothetical constructs about future events, and include statements regarding our future results of operations and financial position, business strategy, budgets, projected costs, plans and objectives of management for future operations. The words “plan,” “future,” “may,” “will,” “expect,” “hypothetical” and similar expressions as they relate to us are intended to identify such forward-looking statements.

Forward-looking statements should not be read as a guarantee of future performance or results and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved, if at all. Forward looking statements are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. Therefore, RGS Energy cautions you against relying on any of these forward-looking statements.

Key risks and uncertainties that may cause a change in any forward-looking statement or that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include: the impact of the Series 1 preferred stock on Real Goods Solar and its shareholders, including with respect to the rights of holders of Class A common stock; whether recipients of subscription rights will exercise them to purchase shares of Series 1 preferred stock; the amount of proceeds RGS Energy will receive from the rights offering, if any; RGS Energy’s ability to pay dividends on the Series 1 preferred stock; and other risks and uncertainties included in RGS Energy’s filings with the SEC.

You should read the section entitled “Risk Factors” in our Form 1-A offering statement, in our 2018 Annual Report on Form 10-K and in our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2019, June 30, 2019 and September 30, 2019, each of which has been filed with the SEC, which identify certain of these and additional risks and uncertainties. Any forward-looking statements made by us in this press release speak only as of the date of this press release. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We do not undertake any obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law.
