

Real Goods Solar Wins SunPower Commercial Dealer of the Year Award

January 3, 2011

Real Goods Solar was selected out of more than 400 SunPower dealers in North America for its outstanding performance as a SunPower dealer in 2010. The "Commercial Dealer of the Year" award honors SunPower dealers who demonstrate exceptional customer service and proven knowledge and leadership in the industry.

"We congratulate Real Goods Solar for their extraordinary performance in 2010," said Jim Pape, president of SunPower's residential and commercial business group. "As a SunPower dealer, they have demonstrated a level of quality and commitment exceeding our expectations, and we look forward to their continued success in 2011."

The SunPower dealer network includes more than 1,500 dealers worldwide.
